WELCOME TO 1984 – the year of Repression.
Many years ago the author GEORGE ORWELL wrote a book called 1984 in which he wrote about an imaginary society where 'BIG BROTHER' watched every move and interfered with how individuals made decisions about their own lives. Everyone regarded this as a terrifying book – but throughout 1983 we've seen attack after attack on the sex industry that clearly show that Orwell's 'model' of society in 1984 is not far removed from the truth. In 1983 these things happened:

1. MORE PRISON SENTENCES – more people were sent to prison under section two of the Obscene publications act than in ANY YEAR since its inception. A high court judge ruled that prison should be an automatic sentence for 'brokers in this filth'. Additionally, another high court judge ruled that importers of pornography were only one degree better than people who imported hard drugs into Britain and should be treated accordingly with long prison sentences. Is it right that the government should interfere with your life in this way? Surely the individual should decide what he reads or looks at and not some BIG BROTHER.

2. LICENSING
This was introduced to cover sexshops and cinemas over 12 months ago. It has been used, mainly, not to license but to prohibit. When the government introduced it they said that they were out to control sexshops not ban them – in reality hardly a sexshop or cinema club license has been granted anywhere in Britain. The premises are still open because of a complicated appeal procedure – but unless the courts are more sensible that the councils then quite clearly LICENSING will have been used as a 'democratic' means of abolition. Is this right, should you be deprived of YOUR RIGHTS to visit sexshops and sex cinemas.

3. ATTACKS ON NEWSAGENTS
In 1983 a concerted attack was made on newsagents selling Whitehouse magazine – in an attempt to ban it. Newsagent after newsagent was charged with selling it. HOWEVER, thank god that the British jury system put a stop to this. After TEN CONSECUTIVE AQUITTALS all further charges were dropped with full costs awarded. The publishers had spent tens of thousands of pounds in legal fees to stay in business. Here big brother was stopped in 1983 – let's hope he doesn't return in 1984.

JOIN THE FIGHT AGAINST BIG BROTHER AND THE ONSLAUGHT ON BOOKS/MAGAZINES/FILMS YOU WANT TO SEE OR READ – ACT TODAY:

1. Write to your M.P. The House of Commons, Westminster, London SW1.
2. The Home Secretary, The Home Office, Whitehall, London SW1.
3. Write to the local/national newspaper you read.

Place a firm order for this magazine and magazines like it – this is an important financial battle – by providing us with your support we have the funds to carry on the fight . . . Last year the police seized more magazines than in any previous year – causing huge financial losses to all the publishers concerned – but we will fight for their return through the courts. This costs vast fortunes in legal bills, but your support adds to our campaign funds. AND visit your local sexshops and cinema clubs who are fighting for survival against regressive and retrospective legislation.

DON'T JUST SIT THERE – join the fight, write a few letters and make your opinions known to your friends and workmates – DON'T BE A WHIMP. Don't let BIG BROTHER dictate to you how you're going to lead your life. DON'T LET BIG BROTHER WIN THE DAY.

VIDEO DISCOUNT VOUCHER. AN IMPORTANT MESSAGE & URGENT ANNOUNCEMENT TO ALL VIDEO OWNERS!
There is currently a Bill going through Parliament that will make it illegal to sell any videos other than certificated X-films (and you know how soft THESE videos are!). This will be the law in just a few months time, so now is your LAST CHANCE to buy uncertificated HARDCORE FILMS. Adult Only shops have tens of thousands of such films to clear before the Bill becomes law, and they will have to destroy all their stocks of hardcore films. As a result of this, they are discounting all their hardcore films (this offer does not apply to X-certificate films, only uncensored films). Take this voucher to any Adult Only shop and they will reduce the price of any single video by £2, any 2 videos by £4.50, and any 4 videos by £10. Only one discount allowed per purchase. See the back of this magazine for the address of your nearest Adult Only shop!

ZETA AT WEST HAM F.C.

Zeta is young, blonde, and beautiful. Her aim in life is to make people happy, to make their sexual dreams come true. But only for a certain type of person. She is also an avid football fan. This month she visits the Hammers, and for one particular football fan dreams really do come true. Don't forget, you can see more of Zeta in the pages of the new magazine *Adult Fantasy.*

BEFORE I went to Sweden to make a career in sex films, I used to go to West Ham and see them play whenever I could. I was eighteen then, and they were one of my very favourite teams.

I'm twenty five now, and the other week I thought it would be nice to go back to West Ham as they were playing at home and watch the match.

Even though I hadn't seen them play for some time, I have followed their progress in the newspapers, and like most people I tend to think that West Ham have bags of talent, and that one of these fine days they will manage to get everything together and really go right to the top in every single competition.

I have friends in West Ham, so I went down

to see them on Friday night and stayed over, and then the following day I made my way to the ground.

Of course, being me, I don't sit in a nice comfortable seat. I like to be out there with the genuine fans standing there, shouting and cheering, well, you have much more fun that way.

I like the atmosphere of standing in a group of real fans, and I must admit, there are times that I get so worked up that by the end of the match my knickers are very wet. Yes, you could say that watching a football match with people crowding round me is almost a sexual experience for me.

Of course, it does provoke comment. Well, you don't often see a blonde girl standing in a group of shouting fans, do you?

Mind you, I have found over the years that the West Ham fans are very friendly, and they always make you feel at home, so it wasn't long before I was chatting away to the people round me, and they were quite a mixture, old men, young men, youths, kids, middle aged men, all of various looks and ages and class. It is really nice how a good football match can bring all those different types of people together.

Then one man, he was about thirty, looked at me, and then suddenly pulled a copy of Playbirds from his pocket, the one in which I had written about my visit to Watford, and he was soon passing that magazine round, and people were looking at me.

"I didn't think you really existed," said one man.

"I thought you were a fake," said another.

"You can see that I'm not," I replied.

"Do you really help people?" asked another.

"If they need it," I answered.

"They have to be working class sort of," said one.

"Well, they don't have to be working class," I said. "But they cannot be flash know it all types. I can't stand them."

Well, we were all chatting away like mad, when the teams came out onto the pitch. Then the shouting and cheering started, and I was cheering along with the rest of them.

My knickers were soon damp, for it was a very fast and exciting game, and it seemed to me that every time a Hammer had a shot at goal, that pussy juice creamed up inside me. Well, I did say that football was an almost sexual experience to me, didn't I?

It really was a first class game, it flowed back and forth all along the pitch. It wasn't one of those boring games where the mid-field keep possession all the time, it was full of long balls, fast running by the forwards, a sort of shoot on sight of the goal type of game, the sort of thing that West Ham is famous for.

It was one all at half time, which was a fair score, for both teams had put everything they had into it.

During the interval I was asked more and more questions by the fans who were standing next to me, and I was happy to confirm that when I was eighteen I went to Sweden to make blue films, and they asked me a lot of things about blue films, and I think I turned them all on my telling them.

I also confirmed that I was voted Miss Europe in Stockholm, and also added that my aim in life was to help people. I am at my happiest when I am making a sexual dream come true for a person who really deserves a break.

But I made it very clear to them all, that the people I was interested in was people like them, average working people, football fans, the sort of people who read this magazine.

Then I stressed that just because a person like that had a problem didn't mean I was going to fuck with them for I had to be sure that the person in question would really benefit from the experience, that after being with me he would regain his self confidence and then set out to re-shape his life. I don't fuck just for the sake of it, I do it with a purpose.

They were very interested in that aspect, and we talked about some of the things I had done, and then the teams came back onto the pitch, and all thoughts of sex were pushed from my mind as that great game got under way again.

I was surprised that West Ham weren't winning every single competition in sight, for they really did play well. I suppose they concentrate so much on being entertaining that they tend to leave themselves open at the back a lot, and that means the other team always has a chance of scoring.

One of these days West Ham, I am sure, will still have the open free running game, but will tighten up at the back, and that's when there will be no stopping them, they will sweep the board in my opinion. Well, that may sound biased, but like I said, they have always been one of my very favourite teams, and I have always looked forward to standing there in a crush of genuine fans watching the game.

While there was a lull in the game – someone had got a knock and the trainer was on the pitch. One of the fans next to me, I think his name was Dave, nudged me and said: "If you

were interested in helping someone, I could put a name in the frame for you. I think he really does deserve it."

"Who might that be?" I asked.

He pointed to a man standing a few feet away. The man there hadn't said a word during the game.

"He works on the assembly line at a car company," said the man next to me. "His name is Fred."

"So, what's his problem?" I asked.

Dave shrugged," he doesn't like talking about it very much," he said. "But he hasn't had a fuck for ages and ages."

"If I helped everyone out who hadn't had a fuck for a long time then I'd be screwing with hundreds of people a week," I replied.

Dave smiled at that. "No, his problem is that all the money he earns he pushes towards a charity. Some time ago his wife died of this strange illness, and he's been trying to help people who suffer from the same thing. End result he is always broke, and he can't afford to take women out."

I glanced over at Fred, he was about forty five, and did look a bit down. Yes, he sounded like my sort of man. He gave to charity, left himself broke because of it, and any man who helps others is the sort of man that I like to help.

"I think a really good fuck would cheer him up no end," said Dave.

Well, I wanted to check this out for myself, so I moved closer to Fred, and then the game started again, and we were all cheering West Ham on, and it must have worked, for they scored a couple of minutes later.

While we were waiting for all the footballers to stop dancing round and kissing each other, I started to speak to Fred. Yes, he had heard of me, yes he did read Playbirds, yes he was pleased to see me at the match, and yes, he did have problems, but he didn't want to talk about them.

Well, I'm good at getting people to talk, and in the end I was able to confirm just what Dave had said about Fred, and my heart went out to him, and right then and there I decided that he was a very deserving person. I though that making his sexual dreams come true would not only give him a boost, but would also, in a way, be a reward for all the good things he did for that charity.

Then West Ham were attacking again, and we all shouted and cheered, and they scored again, and then the final whistle went and we all started to troop out from the ground. It had been a first class Match, Hammers had been on top form, and we all felt good about that.

I made sure that I was walking along the street with Fred, and I was chatting to him, and he really did seem down, then I stopped, held his hand and said: "I like you, you are my sort of person, hard working, kind, and a 'man in the street' type of guy, so name your fantasy, and I will make it come true, for you need a break from your problems."

He could hardly believe his ears, that was very obvious from the expression on his face.

"I'm serious," I said. "You have read about me so you know what I'm at. You name your sexual dream, Fred, and as a reward for all the good things you have done, I will make your dreams come true."

"I thought you were joking," he said. "I thought that was just for the magazine, that in real life a girl like you would only go with rich studs."

"They bore me silly," I said, and then I repeated myself saying that my type of man was Fred, was football fans, was the type who worked hard and had no 'know it all' ways. The average guy, the average 'man in the street' in other words.

"Look," I said. "We can't stand here all day. I want to give you a break. Name your fantasy, anything at all, no matter how kinky you may think it is, and I promise you, Fred, that I will make it come true for you."

"Just fucking with you would be a dream come true," he said at last.

"That goes without saying," I told him. "But there must be something specific you would like to do."

"Well, it would be nice to have a woman sit on my face," he said.

"Listen," I said, "why don't we go to my car, you come home with me, and then we will get into bed, and if you think of any other things you would like to do then just say so, and I'll make them come true."

He smiled, and it was the first smile I had seen on his face all afternoon, and that pleased me, for it meant that he was feeling more cheerful all ready, and I took him to my car, and then we drove away.

When we got to my place he had not said anything much about his dreams, and I didn't push the point, I had already decided to give him everything that I had, which meant that somewhere along the line all of his most secret

sex fantasies would come true, for when I go flat out to please a man, then I really do go through every trick in the book.

I wasted no time at all in taking Fred into the bedroom, and there I very quickly undressed him. Then I undressed, and as usual, when a man sees my naked body, his cock became very hard.

I stood there and smiled at him, and allowed him to feast his eyes on my naked flesh.

We then went over to the bed, and I thought I would start by making that fantasy of his come true, and so when he was flat on his back, I crouched over his face and then used my fingers to pull my pussy lips wide apart so that he could look all the way up into my quim.

That really turned him on, for as he looked into the tight wet depths of my pussy hole, so that cock of his throbbed and jerked like crazy, so much so that I thought he was going to shoot out sperm right there and then.

I took my fingers away from my cunt and then sat down on his face, and he gasped with sheer delight, as every man does when a sexual fantasy starts to come true.

He really made up for lost time, for as soon as I was sitting on his face, so his tongue went up into my wet cunt, and he started to slurp away like mad, he was like a man who had been lost in the desert for ages and was now having his first drink.

And how he did drink, he slurped juices from me by the pint, at least that is what it felt like, he was sucking so hard I thought for a moment that he was going to turn my pussy inside out.

Of course, with that tongue, with that slurping tongue and sucking mouth of his, waves of pleasure went through me and it wasn't long before a really hard orgasm went through me.

I then flopped forward so that we were in the 69 position, and I took his hard cock into my mouth.

While he slurped and sucked away inside my cunt hole, I sucked very gently on his cock, and that cock was hot and salty, very much to my taste, and I had it deep inside my mouth, and was flicking my tongue over it, blowing in and out with my cheeks, applying as much hard suction to his cock as he was giving to the inside of my cunt.

He really was very good with that tongue of his, and more orgasms went through me, and I lifted my head and asked him if he would like me to suck him all the way, and he pulled his face from under my cunt and said that he would, and then his face went back under and his tongue was once more up inside my cunt, and again he sucked away like there was no tomorrow.

His cock was hard as anything in my mouth, and I loved that taste, and I put everything I had into it, and he was quivering all over.

Then the glans started to expand in my mouth and I knew the sign, knew that he was about to come, and I gave one last huge suck, and then he pulled his face from under my wet cunt and let out a huge yell of pleasure.

His spunk was now pouring into my mouth, and he really must have been saving it up for a moment like this, for there was one hell of a lot of it.

I sucked and slurped and drew it all out, didn't stop sucking on his cock till every last drop of sperm had been taken from his cock, and then I rolled over.

I hadn't swallowed down a single drop of his sperm, for I wanted to give that deserving man a real treat, and I turned and faced him, and then winked, and then opened my mouth, so that he could see all his spunk in there, so that he could see it on my tongue, so that he could see it clinging to the inside of my cheeks, and he really did appreciate the view.

I closed my mouth and then swallowed all that spunk down, and as the beautiful stuff trickled down my throat so I had this massive climax, but then again, I always, but always, have a huge climax when I drink down good hot sperm.

"That was wonderful," he said. "You really are a great lady, Zeta, doing this for me."

I smiled. "I've only just started," I said. "There are a lot more things to come."

We were side by side now, and he was looking at my tits, and I thought I'd give him another treat, after all, he hadn't known what else he wanted, so I had to show him the lot to make sure I covered all his dreams.

I sat up on the bed, and then I placed both my hands under my right breast, and then I lifted that firm boob up just as far as it would go.

I lowered my head and was able to lick at my stiff nipple, and he gasped with delight at this, and then I took that nipple of mine all the way into my mouth and started to suck at it.

Well, I have always liked doing that, even when I am on my own, and when I have a man watching me then it adds to the pleasure I get, and so, as I sucked my own nipple in my mouth, so an orgasm went through me, and my fleshy vaginal lips opened up and juices started

to pour out and soak into the sheets.

I then did the same thing to my other breast, and afterwards he nodded, and said that I must have been able to read his mind, for seeing a woman suck her own tits had always been a dream of his.

I smiled, and asked him if seeing a woman wank had also been a dream, and he nodded, so I told him to watch, and I stretched out and then moved my right hand down to my cunt and then slowly slipped two fingers into my pussy.

I was feeling very happy now, not just because I had my fingers inside my cunt, not just because there was a man watching me, but because Fred look a lot better now.

He did seem a changed man, he seemed to have cheered up no end, and once again it proved that I was right, that by making a man's sexual dreams come true it can make him, for a while, forget all his problems, it can give him back his self confidence, it can give him a new lease of life. Yes, I was very happy that I was making Fred happy, for he was a nice man, and really did deserve a break like this.

I moved my fingers slowly in and out of my pussy, and he moved down the bed a little so that he could get a good view, and when he was down there, I started to wank just a little faster.

Juices were bubbling from my pussy lips now, and climaxes were powering through me, for I always come a lot when I am wanking myself off with my fingers.

I wanked faster and faster, and soon my hand was just a blur of speed as my fingers flashed in and out of my cunt, and my fingers really felt good inside, and I was having the time of my life.

I did this for ten minutes, and then slowly pulled my fingers from my hole, and of course, my fingers were coated with hot pussy cream, and I thought it would be a great pity to let that beautiful tasting stuff go to waste, so while Fred watched, I placed my fingers inside my mouth and sucked them, and it gave me great pleasure to do so, for I have always had a great liking for my own taste, and as I lapped the cream from my fingers, so I had another massive climax.

"Could I do that?" he asked.

"You can do anything you like," I told him.

He smiled, he looked very happy, and his hand went to my cunt, and then he had three fingers inside me, and those fingers probed and explored the inside of my cunt, and then he started to move them in and out, and in the end he gave me one of the very best finger fucks that I had ever had from a man.

He pulled his fingers out, smiled, licked them dry in his mouth. Yes, there was a real change in this man, he looked so much better now, really happy, and it was obvious that he had pushed all his problems right to the back of his mind.

I went to work on his cock, sucked it and played with it and then leaned over and rubbed my boobs over it, and when he was hard I asked him if he had ever had a tongue bath, and when he said that he did not understand what I was getting at, I smiled, and told him to stretch out on his belly, that I would do something to him that he would remember for the rest of his life.

Giving a tongue bath to a man is something that I am very good at. But come to that, I am good at everything to do with sex. But a tongue bath is something that I really do specialise in, I learned all about it during my time as a blue film star in Sweden.

When he was flat on his belly, I leaned over and then brushed the tip of my wet darting tongue all over the back of his neck.

The art is in not rushing it, to do it really slowly and gently, and this way it gives my man more pleasure than is imaginable.

I moved my tongue very slowly over the back of his neck and then moved slightly and did the same thing over his shoulders, and by this time he was panting with lust.

I then moved down just a little more and moved my tongue all over his back, and then moved down after a while and did the same thing to the small of his back. Then came the part that I know men love the best, I moved just a little lower and then started to run the tip of my experienced wet tongue all over the cheeks of his arse.

He writhed and quivered with sheer delight as my tongue moved all over the cheeks of his bum, and then, when I flicked the tip of my tongue up and down the cleft, he went wild.

I turned him over and did the same thing to his neck, then his chest, then down over his belly, then up and down each of his legs, and he was moaning with sheer lust and delight when I came back up again and planted a long lingering wet kiss on the head of his cock.

That cock was now stiffer than ever, and he told me that it was the biggest erection that he had ever had in his life.

I smiled, and said in that case wasn't it about time that he got on top of me, wasn't it about time that he got there and pushed that cock into my pussy.

He smiled, nodded, and wasted no time in getting in position, and then another one of his sexual dreams came true, for he was now easing the full length of his hard hot cock all the way into my cunt hole.

I climaxed on the spot as it went in, and he really did push it in deep, so deep that it almost felt as if it were going to come out of the top of my head.

I could feel his glans pressing against the very limits of my cunt, could feel his balls pressed tight against my cunt lips, and I wailed with pleasure and started to heave up and down.

I was so happy for this man, and happy for myself, for by making his sexual dreams come true I had made him feel good, and by making him feel good it made me feel wonderful, for as I have said, the name of my game is helping average type men who really deserve it.

His cock was hot and thick and throbbing as he started to fuck me, and he went flat out from the word go, he really did want to give me everything that he had.

Up and down I heaved, and in and out he banged, and that cock seemed to be getting bigger and bigger with each and every passing second.

Not that I worry about the size of a man's cock. Size does not mean anything to me. I have had some lousy fucks from men with huge cocks, and some really first class brilliant fucks from men with small cocks. To me, size of cock, the looks of a man, are not at all important, I am only interested in a man's personality. Any woman who says that cock size is important is a fool.

Anyway, there are very few men indeed in this world who have huge cocks, and very few men whose cocks are really small, most people have an average sized cock, but then again it isn't what you've got that counts, it is what you do with it, and some of my best lovers have been men with very small cocks.

Well, Fred really went to town inside my pussy with that cock of his, slamming and banging and thrusting and shafting for all he was worth.

The blood started to pound through my naked body, and my orgasms became more and more intense, and I heard myself shouting out loud and long, and then the orgasms seemed to blend into one, and the orgasms flowed so thick and fast towards the end that it seemd as if my entire body had turned into one huge gigantic orgasm.

Then he had his orgasm, and his ejaculation was immense, floods of hot spunk going into my cunt, filling me up, gushing into me, bubbling away in there, and when spunk goes into me I always go out of my mind with lust.

He pulled his cock out and moved up my body and then wiped it dry on my face, and I liked that.

Well, he really was a changed man, and as I have said I was more than happy for him, for he looked as if he could now really face the world again. I had proved that fucking with a man who really deserves it makes that man more self assured and much more self confident, and I was very sure that in future, Fred would be okay, that he would be able to get to and about more, than he used to, that he would now realise that if he could keep a woman like me happy in bed then he could sexually satisfy anyone who came along. Yes, making him feel good made me feel very good indeed.

FANTASY MANOR

MY name is Max, and the idea came to me while I was fucking with Gloria. She is my girlfriend, and one of the most beautiful women I have ever known, she is also a fucking good screw.

Well, there I was, on top of her, my hard cock shafting in and out of that tight pussy of hers, and she was having a huge climax, when for no reason at all, the idea came to me.

Well, I know better than to stop a fuck, for she would have killed me, so I shafted away faster and harder than ever, my balls really slapping against her cunt lips, and she climaxing longer and harder than ever, and then my spunk spurted into the depths of that tight wonderful fuck tube of hers.

I waited till I was empty, then pulled my cock out and rolled over.

"I have an idea," I said.

"What is that?" she asked, and her right hand went down to her quim and she slipped two fingers inside her spunk filled hole and started to wank off. Gloria always does that after a fuck.

"Well," I said. "Here we are, living in this huge country house, ten bedrooms, god knows how many bathrooms and it is going to waste."

"Yes, you have outbuildings and lawns and . . ."

"Yes, I know," I cut in. "Look, I've always been interested in sex."

"And don't I know it," said Gloria, spunk spurting from her cunt as she wanked off with those fingers of hers.

"Well, let's turn this place into a sort of sex clinic," I said. "Let's charge people money for helping them with their sexual problems."

Gloria thought about that for a moment, and then, while she was thinking, she pulled her spunk coated fingers from her pussy, placed them in her mouth, and sucked them.

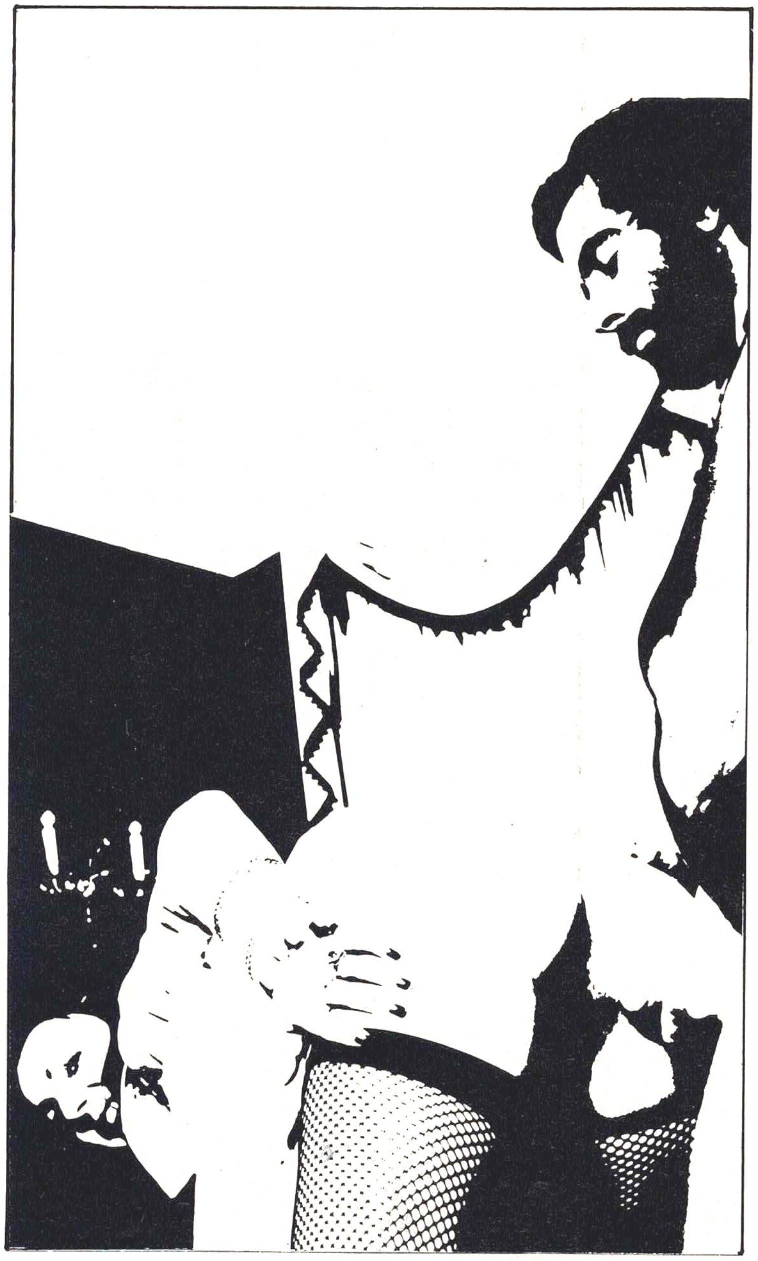
"I have a better idea," she said.

"I thought you might have," I replied.

She sat up. Her right hand going back to her pussy. "Look," she said. "Most people have sexual fantasies, right?"

I nodded.

"Okay," she went on, her fingers slipping back inside her cunt. "Why not turn this place into a sexual fantasy place? I would say that the best way to help people with their sexual problems is to make their wildest sexual dreams come true."



"What a great idea," I said. "People could write to us, tell us their wildest sexual dream or fantasy, and we would organise it, and make that dream come true for them, make it come true in every single detail."

Gloria nodded, she was wanking and more sperm and pussy cream was coming from her cunt.

"It would take a great deal of organising," she said. "We would have to refurnish some of the rooms, install closed TV circuits so we could watch, we would have to hire people . . ."

"No problem," I said. "I'm not short of money, and anyway, people would pay a great deal of money if they knew that their secret sexual fantasies were going to come true right down to the smallest detail."

Once again, Gloria's spunk coated fingers came from her wonderful cunt, and once again, those fingers went into her mouth, and this time, as she sucked the spunk from them, she had an orgasm.

Well, we talked the idea through some more, and it still seemed good, and so we drew up plans, and spent the next couple of months getting everything ready.

Gloria was great, and she contacted people that we might have to hire to help fantasies come true, studs and blue film girls, and some high class hookers.

I then placed a very small advert in a top paper, and waited.

The first letters arrived a few days later, some were from cranks

and we threw them away, but some were from people who wanted to have their sexual fantasies brought to life.

A few of the fantasies were really kinky, but we had made a promise, and so we wrote back, told the people what the fees were, and said it was money up front.

Of course, a few people didn't want to put money up front, but I wasn't going to arrange fantasies and then not have the people turn up.

But for a first advert it had been a good response, and several people sent money, and we arranged dates, and Gloria arranged for the people to help make the sexual fantasies come true.

Of course, Gloria said she wanted to take part in some of the fantasies, and I said I might as well, but I was also going to watch them from my office, for I now had a hidden TV camera in every room, with the monitors, banks of them, in my office, so I could watch anything that was going on in the rest of the house.

Well, we decided that we should start in a big way, that the best fantasy to start with would be a complex one, one that involved lots of people.

We'd had a letter from this man, Ken, who said that he wanted to be an arab prince for the day, you know the sort of thing, be in a plush suite of rooms, have half a dozen girls pandering to his every whim.

Well, Gloria got the girls – she wasn't going to be in this one herself – and we refurnished a room specially for this man, and then wrote to him and told him to come along.

Of course, Gloria and I were a little nervous, after all, we had spent a lot of money, needed lots of customers to get it all back and then make a profit, so if this one went wrong we would be in trouble, but if it went okay, then word would soon get around, and we would be laughing.

He turned up dead on time, and I settled down to watch the proceedings from the comfort of my office, and I watched it in colour on the large screen.

I saw Gloria take the man into the changing room, and there she dressed him in arab robes, and very nice he looked as well, then she took him into the special room, in which was a huge bed, and a large sunken bath. She left him there, flopped out on the bed, head lifted by several silk pillows, and then she came down to me.

We sat side by side and watched, this first ever fantasy we had organised for someone at Fantasy Manor.

The six girls, all dressed up as Harem girls, went into the room, and Gloria had handpicked those girls, they were really special.

They all rushed over to the bed where the man was waiting and smothered him in kisses. He really was into the swing of it now, and having his fantasy come true was making him feel a new man, and he told the girls to strip off, and when they had done so, he undressed, and then they all got into the sunken bath.

It was a turn on to see those women go to town on him in the bath.

Once they had dried off, he told two of the girls to suck his cock, and told the other four girls to make love to each other.

Gloria, sitting next to me, was getting really randy watching all this going on, and her hand went down and she unzipped me, started to pull my cock out, made me hard with her fingers, and then ran her fingers up and down my thick shaft.

The man on the bed was having a great time, and when he came, those two girls shared his spunk out between them. And the other four girls were still making it with each other.

I had seen enough to know that this first fantasy we had organised for a customer was working out okay, and it was at that moment that I started to come, and Gloria swiftly moved her head down to my cock, and she took my glans into her mouth, and had a huge orgasm as my hot spunk went into her mouth.

That man was more than pleased, and said he would put the word out that we really did make sexual dreams come true at Fantasy Manor.

The following day we had another fantasy to organise. In a way this was a simple one to do, but even the simple ones needed to be organised, for we wanted to build up a reputation of really delivering the goods.

This person was Rose, a lady, a very rich lady, who was fed up with rich upper class slobs, and she wanted to be a hooker for a day, wanted us to arrange it so that she could look like a tart, and pull in some customers, of course, we had to arrange the customers for her.

When she turned up at the manor, Gloria took Rose to a dressing room, and there she dressed her in a real tarts outfit, fishnet stockings, short red skirt, tight black sweater, and then made her face up.

I decided that this was one fantasy that it would be fun to join in, and so I became a customer. But we just didn't put her in a room and send men in. No, when we organise a sexual fantasy for a person then we go the whole hog.

Gloria had hired some studs, had put them down in the local village, studs who were dressed up to look really rough, and once Rose was looking like a real tart, Gloria drove her down to the village and dropped her off.

I made sure that I was the first customer, and that rich bored lady who wanted to live like a real tart for a day, was walking down the main street, and the locals looked a bit surprised.

I went up to Rose, chatted her up, and then took her across the road to the hotel – I'd already arranged things with the owner.

I was playing a real tough customer, and haggled over price, for I knew this was the way Rose wanted it, for she had filled in a form about her sexual fantasy and had given very implicit details.

Well, we argued about price, and I then knew that she really wanted to be treated like a whore, so there was no question of me being nice to her, and anyway, it was her fantasy, and we wanted to please.

I told her to undress, swore at her when she didn't hurry up, and she loved it, for being treated like a real whore was really turning that rich lady on.

When she was naked, I got her on the bed, made her get on her hands and knees, and then slapped her bum, the first time in her life anyone had ever done that to her, and she loved it, in fact she climaxed, not so much from having her bum slapped, but from the thrill of being treated like a real tart.

Then I rolled her round and rubbed my cock all over her face, told her to lick it, and when she had done so, told her to suck my balls, then I pointed at her cunt and suggested that she wank herself off.

Her face was flushed with lust as she reached down and pushed two fingers into her own cunt, yes, this fantasy of hers must have been in her head for ages and ages, and not that it was coming true, she was having the time of her life.

I had her wank for some time, then told her to lick her own juices from her fingers, and when she had done that, I wasted no time in getting on top of her and then shoving my hard cock all the way into her wet cunt.

Usually I take my time about fucking a woman, but this was

business as well as pleasure, to make her fantasy come true, she had to be treated like a real whore, and so, as soon as my cock was all the way inside that cunt of hers, I banged away, thrust in and out just as fast and as hard as I could go.

She loved every second of it, and when my spunk went into her pussy, she had this massive climax. I got off her, wiped my sticky cock on her tits, and then got dressed and left.

I hung around the village for a while to make sure that everything went okay, and she came out of the hotel a few minutes later, and I gave the signal, and one of the studs went up to her, talked, money changed hands, and they went to the hotel.

Yes, that was a good one, I thought, and later, Rose came back to the Fantasy Manor to change into her own clothes, and she looked very happy indeed, said she had had the time of her life, said that having her sexual fantasy come true had made her feel really good indeed, and that she would tell all her friends what a wonderful service we offered at Fantasy Manor.

That night, in bed, Gloria and I were feeling pretty pleased with ourselves, bookings were starting to come in thick and fast, it seemed that people really were prepared to pay a great deal of money to have their sexual dreams come true.

If things worked out, we would be in profit earlier than we thought.

Gloria was very happy about it, so happy that she got really randy, but that isn't unusual for her, for she always feels randy.

She moved up the bed and then crouched over my face, and I looked up and sighed with pleasure when I saw her pouting pussy lips.

She reached down and started to rub at her cunt lips with her fingers, and before long, large drops of pussy cream were dripping all over my face. As usual, her cream was very hot and very sweet, for I had my mouth open by this time.

She took her fingers from her cunt, lapped them dry with her tongue, and then sat down on my face, and I didn't waste any time at all in getting my tongue all the way up inside her cunt and sucking her out.

After she had had about five or six orgasms this way, she rolled from my face, used her tongue to lick the juices from my face and then moved down, crouched over my cock, and then sat down, and had an orgasm as my cock went all the way up inside her cunt hole.

I reached up and used my hands on her perfect breasts and stiff red nipples, as she started to glide up and down on my cock.

Soon she was going very fast, and then faster still, and then at it like the clappers, and then she was shouting with delight as my spunk erupted inside her pussy, and then, as usual, when she had rolled from me, her hand went down to her cunt, three fingers went inside that sperm filled pussy of hers, and she started to wank off.

Well, the following day was a busy one, for we had two fantasies to look after.

Gloria made all the arrangements for one, and I did the other one.

Mine was a man called Tim, he had written in, and enclosed a very large cheque, he said that his sexual fantasy was to fuck with a woman who was a lot older than himself.

Well, I had to find a much older woman who was also beautiful, one who was kinky, for Tim had put in his letter that he wanted the woman dressed in rubber, that she must be into bondage and watersports, and the entire sexual event had to take place in an indoor swimming pool.

I found the lady, she was a sex film star who specialised in kinky sex, and we had an indoor swimming pool, and I introduced them and then left them to it, but I did sneak down to my office and have a look via the TV and saw that those two were really kinky together. But at least that was another happy customer, a man whose fantasies had come true at Fantasy Manor.

I flicked the switch to see what Gloria was up to, for she was dealing with Jane, a girl who was rather shy and her fantasy had been to strip in front of a group of men and then wank off.

Gloria had Jane in the dressing room and was helping her into her costume. I left the office and went down to the basement which we had turned into a small theatre, and Gloria had packed it with men she knew, and I sat with them.

Yes, we organise things very well when we fulfill a fantasy wish for a customer.

The lights went down, and Jane stepped out onto the stage, and of course, all the men there had been primed to clap and cheer even if the strip was lousy, but they didn't need priming, for Jane, shy though she was, was now living out her sexual dream, and this was giving her all the self confidence that she needed.

She stripped in a very sexy manner, and when she was naked, I saw that she had a really lovely body, and then Gloria walked out onto the stage, and she had a chair over one arm, and was carrying a bag which contained various wanking impliments, and she placed the chair down centre stage, handed the bag to Jane, and then left the stage.

Jane sat on the chair, facing the audience, a look of pleasure on her face, the look that said that living out her sexual fantasy was really making her happy.

She reached down with both her hands and then used her fingers to pull her cunt lips wide apart, so that everyone here could see the inside of her cunt, and very nice it looked as well.

She fingered herself for a while, and then she pushed two fingers inside and wanked off, and we all clapped, for she was doing it very well, and this lady had several orgasms, some from the fact that she was wanking with her fingers, and some from the fact that this really was a fantasy, a dream, come true for her.

Then she took this penis shaped candle from the bag, and she soon had that candle all the way inside her cunt, and she didn't mess about, she really hammered that thing as fast as she could in and out of that wet pussy of hers, and soon the juices, the hot thick and very creamy juices, were spurting out all over the place.

She had an orgasm, and then another, and then took the candle from her cunt and raised it to her mouth and used her tongue to lap her juices from it, and then she took a banana from the bag.

It was the first time that I had ever seen a woman use a banana. Even Gloria hadn't got round to that, and it was fantastic to see that yellow fruit go all the way up into that woman's quim.

Well, she wanked with lots of things, and then she even dragged a man up from the audience and fucked with him right there and then on the stage.

Afterwards, she came round to see me and Gloria, and she was really happy, and she said that making her fantasy come true had really helped her, that we did indeed provide a really wonderful service at Fantasy Manor, and that she was going to make sure that all her rich friends knew about it.

Well, that pleased Gloria and me, for it meant that things were really looking up, for setting up that fantasy for Jane had been expensive, after all, the men had to be paid, but we still made a profit out of it, well, the simpler the fantasy to organise the less we charged, but if it was something

that meant hiring a lot of people, then we charged a lot of money, but people didn't mind that, they were fully prepared to fork out as long as they knew their fantasies would be taken care of right down to the last detail, and Gloria and myself made sure, as a point of honour, that the fantasies were correct right down to the last dot.

Yes things were looking good, and we had so much business that we had to take on extra staff to handle it. We employed Gus, a sex shop owner to keep us busy with new ideas, and Lona, a sex expert from Sweden, to keep us abreast of all the new techniques.

What I liked about the business was that it was fun, real fun, and I made sure that I had the time to join in the fantasies.

Gloria also did that, and her speciality was to help out women who wanted some sort of lesbian experience.

In fact we started to get so busy that we had to start turning people away, and even putting up our prices didn't stop us from getting a huge waiting list.

We added a new wing to the house, furnished rooms more sexily, added a new outbuilding, and the thing just grew and grew, and we didn't even have to think up ideas really, all we had to do was organise it, for the customers themselves had the ideas, they had the fantasies, we just made sure that the fantasies came true, and you know, we didn't have one single complaint from anyone, and that was mainly thanks to Gloria, who organised things so very well.

We had, as I have said, simple fantasies and very complex ones. A complex one was from a man who said he didn't care what it cost but he wanted to be able to go for a drive in the country and pick up hitchikers, they must all be young girls of about eighteen years, and dressed in various costumes.

The first girl he stopped for in his car would have to suck him, the next girl fuck with him, the next girl wank off, and so on. But it had to be a surprise, he mustn't know when the girls were going to appear by the side of the road.

Well, Gloria organised it, got ten girls, and things went really well.

A simple one is when a girl wants to have six men wank off over her body at the same time, and you would be surprised just how many women want that as a sexual fantasy turned into reality, and of course, that was a simple one, you only need six men and a bedroom, but the men were hand-picked, and knew what they were doing.

Yes, things were going really well, and even though some of the sexual fantasy requests were really kinky, Gloria and the rest of the staff took things in their stride.

Organising all these fantasies made Gloria sexier than ever, and each and every night we went to bed, she would tell me about her day, and then would want to fuck.

That was fine, for business was so good, and there was so much paperwork, that I had very little time to look at the TV screens and see what was going on.

I'm sure that at times, Gloria was working out her own fantasies on me.

Of course, being the boss of this place, about once a month or so, I take time out to make my own fantasy come true. Well, there is no point in running a place like Fantasy Manor if you don't have the time to make your own dreams come true, is there?

My last one was really good, and Gloria, bless her heart, organised it for me.

I went to the main bedroom, and two girls came in, two twenty year old Thai girls, and they then massaged me with their bodies, yes when it comes to that sort of massage then you can't beat Thai girls, and Gloria had brought them all the way over from Thailand just for me.

After the massage, they both sucked me off at the same time, and they used their flickering darting tongues in a most marvellous way, and then, when I came, one of the girls took all my spunk over her face, and then, when my cock went limp, the second girls moved in and she used her tongue to lap every last drop of spunk from the first girl's face.

But enough about me, let me give you a brief rundown on some other fantasies we dealt with, some other sexual dreams that we, at Fantasy Manor, made come true for various people.

There was a husband and wife who wanted to swap and we arranged that, but not just any swap, they swapped ten times in one night.

Then there was the girl who wanted to wank off with a dildo while having six other girls piss over her, and the less said about that the better, though she was more than pleased with the end results.

There was the man who wanted to watch his wife fuck with Gloria and then have seven men, one after the other, fuck with his wife, and that was an easy one to arrange.

Then there was the man who wanted to fuck a girl while riding high in the sky in a hot air balloon, and that took a great deal of working out, but we managed it in the end, for we claim that no matter how complex the fantasy is, we will deliver the goods.

Yes, that idea first came to me while I was shafting my cock in and out of Gloria's cunt hole many months ago.

Funny that, but all my best ideas seem to come when I have my cock inside that pussy of hers. Well, at this moment, Gloria has just come into the room, and she is sucking my cock while I am writing this, and I'm sort of tingling all over. Yes, she is sucking hard now, my glans right at the back of her throat, her had bobbing up and down, and now she is drinking down my spunk, and that feels good.

Don't forget, if you want a sexual dream come true, if you want your wildest sexual fantasy to turn into reality, then just pop along to Fantasy manor and we will do our best to help you.

THE ART OF PENIS ENLARGEMENT
By Dr. John Kroeger

Penis enlargement is NOT just a phalacy, it is a PROVEN FACT, another fact whether he admits it or not is that EVERY normal man wishes his penis was BIGGER, irrespective of how big it already is. As we all know the penis basically is a mass of spongy tissue consisting mainly of blood spaces. When only a little blood is inside the spaces, the penis is SOFT. When blood is pumped in the penis ERECTS. Erection, then, is caused by excitement of the male to which he produces the flow of extra blood into the tissues or veins within the member. If these veins could be enlarged – and we know they can – then more blood will enter the penis and it will become bigger. Additonally, strong muscles surround the base or root of the penis. and by contracting, help retain the blood in the head and shaft of the penis. Clearly, the stronger and better trained the muscles become, the longer and better the penis is able to erect, and remain erect for far longer periods. This conditioning or training of holding more blood in the member can easily be developed by regular use of the CORRECT type of vacuum developer or enlarger and coupled with a descriptive step by step guide of full instructions on the methods of using developers in conjunction with penis exercises, any normal healthy male of any age cannot fail to ENLARGE HIS PENIS and develop the art of MAINTAINING A STRONG ERECTION for any duration of sexual pleasure.

In my many years as a doctor and consultant sex therapist I have been inundated with problems on penis size and performance, so as now retirement has given me the opportunity to pass on all those years of accumulated knowledge to branch out into the field of physically helping the public. Firstly I have with the aid of many staff, put together what I know to be the finest, best quality tested developer and literature available in the world today– all I leave you to do is choose the correct item that suit your individual requirements and pocket from my guaranteed selection below. Just think! The man who possesses a fully enlarged, fully trained, peak performance penis need not worry how a woman will compare him with other men. He will know well enough from the actions of her body and the look on her face.

This will have its effect not only on his relationships but on many other aspects of his daily life and work. He will have more confidence in every way – because he will be MORE OF A MAN.

BOOK 2

24 pages on how to use our items with or without a partner and descriptions of functional use. Techniques, facts and thrills. (Pictorial & instructional)

TYPE A DE-LUXE VIBROSUCK (10"-12")

(Electric) These pumps are vibrated by battery operated motors. The unique feature is that during use the male can achieve unbelievable heights of pleasure from the vibrations sent to the head of the penis. This will ensure a strong blood flow to the penis head and also maintain a good erection whilst normal suction of the pump promotes growth and strength of the penile shaft. This item also comes with Spanish Fly and Hard on Drips.

TYPE B JUMBO STROKER (Sauna Action) (10"-12")

This model is water filled incorporating a special penis gripper for constant stimulation. The feature of this pump is the extra power suction chamber which is totally separate from the pump and can be used by the male or female, and being piston operated will ensure a far greater degree of suction than by conventional bulb operated pumps. This item comes complete with lubricating cream, and further more lends itself to comfortable 69 positions when operated by a partner.

TYPE C PISTON ACTION STROKER (12"-14")

Conventional tube design but with special penis gripper for added sensation and built in extra power piston suction chamber. The possibilities are endless with this pump as many recorded growths of up to 4½" have been proudly boasted by regular users. Recommended for penis's in excess of 8½ inches. (Full instructions and lubricating cream supplied).

TYPE D SAUNA ACTION PUMP STROKER

This pump differs to any other, by the fact of its newly developed full length rubber penis sheath. It works on the same principle as a womans vagina, completely encasing the member whilst surrounded by warm water. Coupled with the power pack suction bulb it can achieve extremely quick results in growth compared to any ordinary developer. The sensations of this pump are unbelievable, as it is like having the penis sucked into a warm vagina and the male user can easily be brought to a climax with complete confidence as the specially protected sheath ensures complete protection and hygiene even when used as a masturbation method. (Full instructions and lubricating cream supplied.) (Sizes in brackets refer to penis size desired).

With the massive prosecutions of Street hookers (and we applaud the police's action as street soliciting is grossly offensive to the people whose area is descended upon by the hookers) the girls are switching to more overt means to sell their wears. This month we look at the three main ways that they are operating.

1. SOHO 'FLAT' GIRLS

Despite intensive police pressure on the 'landlords', there are still fifty or so 'flat' girls operating in Soho. Flats operate in Brewer St, Frith St, Old Compton St, Wardour St, Berwick St, to mention just a few. The flats are easily recognisable with RED LIGHTS showing from them, and with brightly lit doorbells with signs like FRENCH MODEL/ attractive new model under them. The going rate is £15, and the girls are generally a little old and a little fat; however there are one or two French girls that are above average.

2. THE BOARD GIRLS

This is the growth sector in London. With the reduction in street prostitution, due to police pressure, more and more girls are advertising on newsagents boards. Straight and Sex adverts appear side by side. Prices start at £15 and the girls provide almost anything. The quality of the girls varies enormously. We feature here just a few of the photos we took in just a few hours photographing newsagents boards around London. We would stress that these are actual photos – though some of the numbers may have been allocated to people other than those who placed the adverts (due to the time delay between writing this article and its publication).

3. CONTACT MAGAZINE GIRLS

Again with the pressure on the Streets many girls have switched to Advertising in contact magazines. These adverts are direct through actual names, addresses and phone numbers; or through Box Numbers. The PRIVATE chain of adult shops (see your nearest shops address on the back of this magazine) carries over 20 of the very latest contact magazines at all times. Due to their enormous buying power and distribution network they offer them at below the normal cover price and get them before they go on general sale – allowing their customers first crack at the advertisers.

Mail order customers can send £5 for a latest batch of 5 different contact magazines (average retail price £2 each); or £4 for the latest JET SET (the best of the DIRECT contact advertisers with actual names, addresses and phone numbers) which normally retails for £5 to: Park Lane Contacts, PO Box 171, London E11. They send the magazines by return under plain cover.

Contact magazines are a really great source of sexual contacts – often containing housewives looking for 'pin money'; and many girls advertising for the first time. As the economic recession hits harder and harder all types of women are turning to their pussies to pay the family bills!

We like this way of meeting people, since if your going to somebody's flat and they advertise from it, your unlikely to be robbed or molested in any way.'

HOWEVER, at this point we would like to stress to all readers that if they do indulge with a hooker we strongly advise them to wear a contraceptive. VD is rife in London and any girl who is on the game and doesn't insist on her clients wearing something must eventually become a carrier – SO BE WARNED AND WEAR SOMETHING. It's better to be safe than sorry! It's a great pity that everything isn't legalised with proper medical check ups etc.

These contact books obviously cover the entire UK; some of them are now so bulky that they contain 1,000 adverts in each issue.

Do you attract Women?

NEW Attractant 10

Attractant 10

Get to first base every time with the new, reformulated, highly concentrated Female Attractant Pheromones — the undetectable scents that attract women, without them being aware of it. The unique working ingredients — the two human pheromones including 5 ∝ Andros — 16 — en — 3 one recently demonstrated on a major TV science programme have been combined with an irresistable musk fragrance to produce a powerful and arresting aftershave — the key to unlock a woman's sensuality and arouse her innermost desires.

What you should know about Pheromones

Pheromones are the undetectable natural scents that we exude and which affect the way we react to others, both socially and sexually. Scientists have recently been successful in isolating some of these Pheromones and the one of greatest interest to men is Androstenone which attracts women. We all know that there is a minority of men who seem to attract women without effort. These are the men with a high Androstenone level — less than ten per cent of the male population. For the rest of us, the mating game has always been hard work — until now. After several years of research Attractant 10, containing the Androstenone Pheromone and a second important human pheromone, is finally available to the public.

Experiments prove the effectiveness of Androstenone

Results of the many experiments demonstrating the effectiveness of Androstenone have been widely reported in the press. The following extracts from some of these reports are convincing proof that it is a powerful female attractant.

'Minute quantities were sprayed on a chair in a Dentist's waiting room. Women patients made straight for the chair' **The Sunday Times** (20.1.80)

'Male pheromone secretions not only attract women, but repel other males' **World Medicine** (GPs Journal)

'Heaven Scent! The secret of Sex-cess' **The Sun**

'Dr Alex Comfort suggests that the musky natural scents may act directly on the brain's sex centre to heighten arousal — but at a level below the threshold of awareness' **Cosmopolitan** (July '79)

'Our push-button world has come up with an instant answer for all men who can't pull the birds... Spray on Sex Appeal!' **Daily Mirror** (19.3.80)

What more can we say? What more proof can be given? One spray of Attractant 10 will last at least ten days and there is sufficient for fifteen sprays in each container. Enough to last for nearly five months. Spray and full instructions just **£11.50**

ON THE JOB
part 3.

Says Sandy (the one seated in the armchair): "It's important to get your employer's guests in the mood. Besides, you've got to act real loose if you want those juicy big tips!

Every month ON THE JOB takes a look at a new, bizarre means of employment, like they would NEVER have guessed on **What's My Line!** ***This month we examine a brand new career for ladies, that of 'Apartment Wrestling' – those foxy females who wrestle naked on other folks floors for profit! It's very big in the States right now, and who's to say it isn't going to catch on in a big way here? Let Sandy and Jo-Ann talk you through the ins and outs of this super-sleazy profession . . .***

Naturally, you've got to put up with a little goosing here and there. For 500 dollars a night, there's got to be SOME leeway!

Basically, the idea is that the guys bet on the eventual winner. They want to see a pretty convincing display of violence, but if you decide to give 'em a little live sex thrown in by way of a bonus, it sure does go down well . . .

They really get off on a little rough stuff, some of these dudes . . .

Bitch! She ALWAYS makes a point of squeezing my nipples! So you want a REAL fight, huh?

"Go on, lady – sit on her box and grind it about a bit, you hear?"

"So go on, Honeybunch – show the boys your teeny twat!"

“I said show it to ’em, you little tight-ass!”

INSTANT SEX – WELL, ALMOST

Every now and then we published a true sexual experience sent to us by one of our readers – after first of all checking that it is true. Well, Tom sent us this one, we checked it, found it was true and accurate, and thought publishing it might help some of our readers in their quest for sexual delight.

SHE lay there moaning with sheer sexual satisfaction as I worked my tongue about inside her sweet tasting quim.

Her name was Janet, and I'd first met her half an hour previously, and at her invitation I had taken her into the bedroom, and now she was flat on her back on the bed, legs wide apart, and I was making a right pig of myself sucking out her creamy tasting pussy.

I'm telling the truth, I'd only just met this woman, and yet there I was, sucking her wonderful pussy. I'm not a super stud or anything, I'm just an average looking guy.

No, before you even think it, let me tell you that it hadn't cost me a penny to get her into bed. She wasn't a hooker, just an average lady who needed sex. Well, her looks weren't average, in fact she was very beautiful indeed, but she worked in a local bank, and was sex mad, wanted it, and I was giving it to her.

Her cunt was tight and wet, and she was coming many times over as I explored every part of that tight hole with the tip of my tongue.

I have alway liked sucking pussy, and this was the ideal pussy to suck. Yes, just half an hour of talk and now we were in bed.

I pulled my face away from her pussy and rolled over, and she smiled, knew what I wanted, and she moved down my body, and soon the tip of her darting tongue was moving all over my balls.

It was obvious from the very first touch of her tongue that she was an expert, and once she had coated my balls with her saliva, once my balls were really wet, she then moved that tongue up and

LEIGH

down my shaft, and my cock was throbbing like hell by this time, and my glans was so swollen I thought that if I was not careful I was going to come at any second.

I managed to regain control, relaxed a little, and her tongue then brushed lovingly over the head of my cock.

Then her tongue worked on my balls again, and then she smiled, opened her mouth, and drew my glans inside then closed her lips round my shaft.

The inside of her mouth felt good on my cock, and again she proved how good at cock sucking she was, for she took everything nice and slowly. There are too many women these days who rush sucking cock, but not her, she was an expert, and she moved her head up and down very slowly, licked at my glans, and then blew her cheeks in and out.

By this time my cock was really stiff and hard, and I knew that I wouldn't be able to last out for very much longer.

She must have known this, for she took my knob right to the back of her mouth and then sucked really hard, used her right hand to pull at my balls, her left hand gripping my shaft, and then she gave the biggest suck I'd ever experienced, the suction from her mouth so great that it seemed as if my cock was sure to be turned inside out.

I shouted and came, and my hot sperm gushed from my cock and splattered to the back of her mouth, and I saw her eyes go wide with sheer delight when she realised just how much spunk she was getting in there.

Of course, being the sexy woman that she was, she had a massive orgasm as she took that spunk down, and what I really did like was the fact that she drank down every last drop.

Some women only drink down a little and spit the rest out, some women, when you come, let the spunk go over their fingers, sort of dribble it from their mouths, but this lady loved spunk, and she took it all down her throat and like I said, she had a good hard intense orgams as she was so doing.

She kept my cock inside her mouth till every last drop had been taken from me, and then she only let my cock slip out when it had gone limp.

Yes, she had given me the best cock suck of all time, and I had only just met her.

I think the time has come to explain how I met this lovely randy lady, and how it was that she took me to her bed so quickly after meeting her.

Well, I'd had a row with my girlfriend a few weeks earlier, and no matter what I did, I just couldn't find a woman to take her place.

Then a friend of mine suggested that I buy a contact magazine from the local sex shop.

I told him no way that I had heard contact magazines were a right con, a right rip off. He said that I had heard wrong, that no doubt there were some contact magazines on the market which weren't very good, but that the local sex shop sold genuine ones, that he himself used one, and that he had all the girls he could handle.

Well, I thought about that, and he was right, for I always seemed to see him with a new girl on his arm, and had often wondered how he managed it.

Well, I took his advice and went down to my local sex shop and had a word with the manager. He said they sold various contact magazines, that they only sold genuine ones.

I asked him what he meant, and he said that some contact magazines on the market contained adverts from women who wanted money before they would fuck, but he only sold, in his shop, contact magazines that were genuine, that contained adverts from ordinary women who just happened to be short of sex.

I saw one called *Street Meet*, and asked him about it. He nodded and said it was a good choice, that *Street Meet* was indeed one of the top class contact magazines in the country.

He assured me that every advert I saw in that contact magazine would be a genuine one. Well, I took his word for it, although to be honest, I wasn't fully convinced, for you do hear lots of tales about rip offs, don't you.

But anyway, I bought the *Street Meet* contact magazine, and took it home, looked through it, and to my delight I saw that it was packed with adverts from women, all of whom said they wanted sex, and not one of them in any way hinted that it would cost money.

Well, of course, I had had to pay for the magazine, and to reply to an advert you had to send a forwarding fee for the magazine, but that didn't come to more than a couple of quid all in, and if that was going to fix me up with a sexy woman then it was money well spent, I thought, it was very good value.

But, as the man once said, the proof of the pudding is always in

the eating, and there was only one way to find out if *Street Meet* contact magazine was the real thing.

So I looked at all the adverts very carefully, and some didn't appeal to me, for some of the women wanted really kinky things, and I've always been straight, or fairly straight, in my sex life.

I saw adverts from women who wanted bondage and water sports, and that sort of thing, and then I saw an advert, with a Box Number, from a girl called Janet, and there was a small picture of her above her advert, and she looked to be my sort of woman.

She said, in her advert, that she liked to give, and get oral sex, that at times she liked to have her bum slapped.

I had asked my friend the best way to reply to an advert, and he had told me to keep my letter short and sweet. He said the women got many replies, and if your letter was long and boring you had no chance, he also told me to follow, carefully, the instructions printed in the magazine about how to go about replying to a box number.

Well, this Janet really took my fancy, so I wrote her a short letter saying that oral sex was something that I really liked, followed the forwarding instructions in the *Street Meet* contact magazine, and then sent it off.

I thought that the proof of how genuine everything was would be shown by how soon I had a reply. Well, that *Street Meet* must sent my letter off right away for five days later I had a reply, from that Janet lady, and that was how I got into bed with her.

Of course, she didn't drag me into bed as soon as we met. Her letter had given me her address, and I went round there, and we talked for a while. For a woman likes to get to know the man first, and we talked about various things till she was sure she could trust me, and then had gone into the bedroom with me and I had started to suck her out.

Well, her advert had said that she wanted oral it would have been silly of me not to have done that to her right away.

Then, as I have already mentioned she sucked me off, and as my spunk was flowing into her sucking mouth, I though how lucky I had been to have been put onto the *Street Meet* contact magazine by my friend.

"Your spunk tasted really good," she said.

"I'm pleased for you," I told her.

"You know, I had lots of replies to my advert," she went on. "Some of the letters were really weird, some men are stupid, they think that if they write a really dirty letter, then they will get what they want."

"But some women ask for dirty letters in the adverts," I reminded her.

She nodded. "Yes, if they ask for them then that is okay, but I didn't, I asked for a short letter, and all the ones that were long and dirty got torn up. You know, if men really do want to make contact with sex starved women like me through the contact magazines then they should read the adverts very carefully."

"Yes, I would go along with that," I said. "That is what my friend told me, and also the manager of the sex shop. Read the advert carefully, make sure you know what the woman really wants before you write to her."

I talked with her some more about it, and she told me that several girls she knew got all their sex through using the pages of a contact magazine, she said it was the easiest way, that none of them wanted money, but all of them wanted sex.

Well, I had now rested after the cock suck, and asked her if she was yet in the mood for a fuck, and she said she would be soon, and then reminded me what else she had put in her advert in *Street Meet* magazine, she had said she liked having her bum slapped, and said she wanted that before the fuck.

She rolled over on her hands and knees and then lifted her bum in the air. I'd never slapped a woman's bum before, but this was fun. She didn't want it hard, and I didn't do it hard, just brought my hand down gently on the naked cheeks of her beautiful arse, but she loved it like that, and as my hand kept coming down, so she started to climax.

Then she rolled over, and I saw that her pussy was dripping juices all over the place, so much juice in fact the entire room was filled with the sweet scent.

"Just one more suck," she said, reaching down and using her fingers and parted the hood of skin and exposing her throbbing clit. "Just suck my clit for a little while and then you can get that lovely hard cock of yours all the way into my cunt hole. Yes, suck my clit and then fuck me."

I moved my face down there and she was really pulling the folds of skin wide apart, and that clit of hers was so big and erect it was almost standing to attention.

I lapped at it and she quivered with joy, and then I lapped harder, lapped the juices from it, and she shook again and again, and then I took that wonderful tasting clit between my lips and sucked very gently at it, and that sexy woman came on the spot, had one of the biggest orgasms that I had ever seen any woman have.

I did this for about thirty seconds, and in that time she must have had five orgams.

"Okay, now we will fuck," I said. "Would you get on top?"

She nodded, smiled, and said, "that is my very favourite position, for when I'm on top of a man I can go at my own speed."

I smiled, for I'd had a feeling she was the sort of woman who liked to be on top. For my own part I never worry about the position, for as long as I have my cock inside the cunt hole then I am very happy.

So I stretched out flat on my back, and my cock was hard and stiff and throbbing, sticking up in the air like a poker, and she looked at it and shivered with lust, and then faced me, crouched low over me, allowed some of her pussy cream to drip down over the head of my cock, and then sat all the way down.

Hell, it was beautiful to feel my cock go up into that cunt, really wonderful in fact and she liked having it up inside her, as was shown by the huge orgasm which went through her as she sat all the way down.

She just sat there for a few moments, not doing anything, a look of sheer pleasure on her face. I was panting hard, for I could feel the heat of her cunt, feel the ribbed flesh of her walls, feel the hot juices round my stiff shaft.

I reached up with both my hands and soon had my fingers at work on her firm boobs. They were very nice boobs, not too large, not too small, just right, with the nipples stiff as anything.

I squeezed those tits together with my hands, so that the nipples really jutted out. Then I used both hands on her right breast, then both hands on her left breast, fondling and pulling and squeezing, and shivers of pleasure went through that woman's entire body.

Then I released her boobs, but I still kept my hands up there, still used my fingers on those nipples of hers, I pulled at them, rubbed them, pulled again, and what with me doing that, what with her having my cock all the way up inside her pussy, she soon came, and I felt a sudden surge of thick pussy juice wash round my cock.

Then she started to move, as soon as that orgasm had faded away, she started to ease up and down on my cock. She controlled

the speed, and the speed she wanted was dead slow to start with, and that was okay, for there is something really nice about feeling a wet tight pussy move slowly up and down on your cock.

Then she soon got into her stride, she was soon going up and down like the clappers on my cock, and her lovely tits were jiggling about in my hands, and the orgasms were rocking through her lovely naked flesh.

She was going at it so fast that sweat was pouring down her face, and it was a good job she was very wet inside her cunt, for with that speed she would have worn my cock away had it not been well and truely lubricated by her cunt juices.

Never have I known a woman move so fast when she was on top of me.

How she managed to keep up that speed without falling from my cock I will never know. She was going at it as if this was going to be the last fuck she would ever have in her life.

Her cunt was getting wetter all the time, her orgasms were becoming more intense all the time, and she was shouting really loud.

I started to heave up and down, and as she sat down on my cock so I heaved upwards, and this sudden thudding of my cock up into her cunt as she came down made it look as if she was going to faint with pleasure at any second.

I thought that I might have got a good fuck out of using *Street Meet* but had never imagined that it would be this good.

Of course, something as fast as that couldn't last for very long, and after about six or seven minutes, the sperm started to flow from my cock, started to flood up into her wet cunt, started to billow into her quim.

She sat down on me then, just sat there for a second, yelling with delight, and then I felt her cunt walls start to ripple up and down and round my spunk pumping shaft.

She was using the walls of her strong cunt to make sure that she squeezed every last drop of sperm from me. She was obviously mad about the stuff, she really did want to get as much inside her pussy as possible.

She sat there for ages, sat there till my cock had gone limp, so limp that the only thing keeping it inside her pussy tube was the force and sucking power of her cunt walls.

Then she rolled from me, and she was smiling, and she said it had been a fabulous fuck for her, and I said it hadn't been that bad for me.

She was looking at my cock, and she smiled again, then reached out and held it in her fingers, then she used her fingers and wiped some odd drops of spunk and pussy juice from my penis, and then the fingers were in her mouth and she was sucking them.

She sucked them dry, then went back for more, and then to make sure my cock was really dry, she took it into her mouth and sucked it.

She rolled over then, just lay there, that smile of total sexual satisfaction on her face.

I just couldn't take my eyes from her pussy. Looking at a pussy after you have just fucked it is always a nice thing to do.

Her lips were still pouting out, all pink and fleshy, really swollen with sexual lust, and dribbling from them was spunk and pussy cream, a thick sexual mixture which looked good on those lovely lips of hers.

She raised her head and looked down, and smiled, she liked the sight also.

Well, later, we fucked again, and thanks to that *Street Meet* magazine, I really had a good session with that lady.

Of course, I did lots of other things with her, but I would now like to move on and tell you about other women I have met through that magazine, just to show you that the first one wasn't a lucky accident.

Yes, after having such a good bout of sex with the first girl that I had met through that great contact magazine, I thought I would try for some others.

Of course, I didn't connect with every single girl that I ever wrote to, well, that would be expecting far too much, even from a genuine contact magazine like *Street Meet,* for as the saying goes, you can't win them all.

But I did meet many other women, and the ones I did connect with more than made up for the ones I did not make it with.

Of course, some wrote back and we met, and then they decided that they didn't like me enough to fuck with me. Well, that was okay, for it was their choice.

Some wrote back and said they were already taken care of, but the vast majority wrote back, gave me their address, and when I had met them, ended up in bed with them.

Yes, there have been quite a few really sexy women that I have met, quite a few ladies, sex starved women, that I have fucked with thanks to that magazine, and I'll tell you briefly about some of them, just to show you that you can meet all kinds of women, with

all kinds of different needs, through the pages of a really good contact magazine.

There was Wendy, she was thirty, her advert said she likes unusual sex, she liked me as well, and within ten minutes of me walking into her flat I was in bed with her, and I reckon ten minutes is fast even for a contact girl.

Well, in bed we fucked, and the fuck was very normal, good, but straight, and I started to wonder where the kinky stuff came in that she had said she liked.

I soon found out, for after fucking with me, she reached down, pushed a couple of fingers into her cunt hole and then wanked, and after wanking she sucked her spunky fingers in her mouth.

But that wasn't all, for she then dragged me into the bathroom, and there she indulged in what she said was her favourite sex game, which was the golden shower game, the old water sports thing. It was the first time I'd ever been involved in anything like that.

Then there was Gina, she had said in her advert in *Street Meet* that she liked to have come all over her tits, and so I spent ages wanking off over her boobs, when I say ages, I did it three times, and it was only, right at the end of the evening, that she allowed me to get my cock into her cunt.

I didn't mind that, for her advert had made it very clear indeed what she was after, and so wanking off over her tits all evening long was very nice, especially when she lifted her tits up with her hands and then used her tongue to lap the spunk up.

Then there was Rose, she was one of the most beautiful girls that I had ever seen in my life. She was a dress designer by trade, and was really sexy. She liked fucking more than anything else in the world, and she had one of the tightest cunts I'd ever known, it was lovely to be able to get on top of her and then slowly sink the full length of my cock all the way into her cunt.

Then there was Fiona, she said in her advert in the magazine that she wasn't interested in fucking, all she wanted to do was suck a man's cock. She didn't want a man to do anything to her, didn't want to be even touched, all she wanted to do was suck the man's cock.

Well, I thought an evening of just having my cock sucked would be a very nice way indeed to pass the time.

It was, a very nice way, for she was an expert at cock sucking, her timing was just right, she knew just when I was getting too worked up, and she would stop sucking, press her fingers against the base of my shaft, wait till I was relaxed, wait till my erection had gone down a little, and then she would start sucking again.

She was such an expert that each suck lasted three times longer than it would have done with any other woman.

I was very pleased that she didn't want me to do anything to her, for after a full evening of having my cock sucked by such an expert, I was so tired that I couldn't move.

It was wonderful to have such an expert as her suck my cock, she made it last for ages and ages, and even managed to get me to come four times in the space of a couple of hours, and like all women who love sucking cock, she also liked the taste of sperm, and each time I came, she took every last drop of spunk into her mouth and sucked and swallowed it down.

Then there was Helen, she was quite a girl. Had these really huge tits, but in her advert she said she liked to be wanked, and when I arrived at her place, after we had had the usual chat, she took me into the bedroom and there she got me to wank her off with all sorts of things, all sorts of very kinky things.

Well, that was just a brief run down on a few of the women that I have met through the pages of the contact magazine.

I had started off thinking that contact magazines were a load of old rubbish, and that even the genuine ones only had adverts from women who wanted money.

Well, it isn't the first time in my life that I have been really wrong, for as I have said, not one of the women that I have met through the pages of *Street Meet* magazine have asked me for one single penny.

Yes, I would say that anyone reading this who hasn't had much luck lately in picking up women, should hurry on down to his nearest sex shop, and if he sees a copy of *Street Meet* there, he should buy it, and I am sure that if he goes about it in the right way, then he will soon be in the same position that I am in, which is having many women as he can handle.

SHEER BLISS

"OKAY, Rose," said Pete, "I want you to go over to that chair over there, sit down, open your legs, then use your fingers and pull that pretty cunt of yours wide open."

Rose nodded and smiled, she walked across the studio and sat down on the chair. This was her first session as a model and she was enjoying it.

So far, Pete, the photographer, had just taken nude pictures of her, which had turned her on a little, but now he was asking for the harder stuff, and although this was her first ever modelling session, she was really looking forward to this part, for she had become a sex model because she was an exhibitionist.

Pete had his camera ready, the lights were all set up, and Rose sat down on the chair, she opened her legs and the lips of her pussy were already pouting.

She reached down with both hands and then used her fingers to part her pussy lips.

She felt really sexy as she did so, for she knew that the inside of her cunt was an erotic sight, and parting the lips, exposing the inside of her love tube for the camera, was making her feel very randy.

Pete clicked away with the camera, then he put it down and shook his head.

"What's wrong?" asked Rose.

"Darling," said Pete. "You have a very pretty cunt, no doubt about it, but it isn't wet enough. I must have that wet look for the magazine I'm working for. They want to see lots of juice."

"Oh, that's easy," said Rose. "I'll just wank off."

Pete was staggered. Not that he hadn't had women wank off before in front of his camera, but those women had been experienced models. Rose was new at this game and he had expected a little shyness in getting wet.

"Okay, love, wank off," he said. "I'll take a few pics of you while you are doing it, if that is okay with you?"

"You can take pictures of me doing anything," said Rose. And with that she slowly slipped two fingers of her right hand into her pussy, and sitting there on the chair, she started to wank off.

It turned her on to have a man looking at her while she slipped her fingers in and out of her quim, and it wasn't long before she was very wet inside, but she went on wanking, and Pete went on taking pictures.

Rose then shook all over, for her flashing fingers had now given her an orgasm, and she knew that she was soaking wet inside.

She pulled her fingers from her cunt, then she used both hands to pull her cunt lips wide apart, and she was so wet inside by this time, that as she parted her cunt lips, so juices spurted out all over the place.

Pete was overjoyed, and he took several good pics, thinking that these were going to turn out to be some of the best that he had ever taken.

"If you want me to wank with something else, then that would be fine," said Rose.

"Well, as a matter of fact," said Pete. "There is a magazine editor I know who has been asking me for some really hard shots."

"Then let's do it," said Rose. She was feeling so randy that she wanted something, anything, inside that pussy of hers, and just think, she said to herself, I'm being paid to do all this.

Pete walked over to her and handed her a penis shaped candle. Asked her if she would prefer to be on the bed at the other end of the studio. Rose said the chair was fine.

She held that large candle in her right hand, waited till Pete was ready with his camera, and when he gave the word, she held the candle in her right hand and then slipped the glans shaped end all the way into her tight cunt.

She was so worked up, so randy, that as the candle went in, so she had a climax on the spot.

Pete snapped away. He was more than pleased, this was more than he had expected, this new girl was turning out to be the best model he had ever had.

Rose had that candle all the way inside her cunt by this time, and it was such a huge thick candle that it was making her cunt walls bulge all the way out, and she loved that feeling.

She wanked with it, didn't mess about, really hammered that candle in and out of her cunt just as fast as she could go, pushing it right to the very depths of her pussy, then pulling it out, then ramming it back home again.

The orgasms continued to pound through her, and she started to moan with pleasure, and she kept wanking till Pete called out for her to stop.

Then he took another picture, for Rose had now lifted that candle to her mouth, and with a gleam of lust in her eyes, she was using her tongue to lap the juices from the shaft.

"Okay, that's it," said Pete. "You can get dressed now."

"Is that all?" asked Rose.

"Yes, why?" asked Pete.

"I thought photographers always fucked their models," said Rose.

"You shouldn't believe everything you read," smiled Pete.

"You mean you don't want to fuck me?" asked Rose.

Pete did want to fuck her, but he never pushed the point. If a girl wanted to fuck then fine, if she didn't then that was fine. He never had to push, for he had so many models walk through his studio in the course of a month that there was always one or two who threw themselves at him. He always made it a rule to wait for the girl to ask.

"Are you asking me to fuck with you?" he asked.

"Well, a cock would be much better than a candle," said Rose.

She got up and walked over to the bed and stretched out, then her hands were down at her cunt again, and she was pulling her lips apart. "You would like to get your cock inside this, wouldn't you?" she asked.

Pete smiled. Yes, he thought, she may be new at the modelling game, but this little lady

THIS GIRL HAD MY COCK SHOOTING SPUNK INTO HER WET CUNT

will go far, she is one of the most naturally sexy women I've ever met.

"Yes, I would like to get in there," he said. He turned off most of the lights in the studio and then went over to the bed.

He undressed very quickly, and when Rose saw how hard and thick his cock was, she shook with lust, for it seemed to be just the sort of cock that would give her many hard orgasms when it was inside her cunt.

Pete got onto the bed, and Rose reached out and pulled him to her, she put her arms round him, and then kissed him on the mouth, and her tongue was soon inside his mouth, and she was shaking with delight, for she could feel the heat and hardness of his cock throbbing against her flat belly.

They kissed for some time, then pulled apart. "I would like you to suck my cunt," said Rose.

"Ever since you first pulled that pussy of yours wide open for the camera I have been dying to suck it and fuck it," said Pete.

He moved down the bed, and soon had his tongue inside that wed cunt hole. He plunged his tongue all the way in, started to suck with his mouth, started to gulp down her sweet tasting pussy cream.

Rose was shouting with pleasures, she loved the way the tongue was lapping at her walls, and she loved the deep hard suction that was being applied to her cunt by Pete's mouth.

Pete had sucked many women in that studio of his, but none had tasted as sweet as this girl, and he was amazed at how wet she was, amazed at the amount of love juice that cunt hole was able to produce.

He pulled back, his face sticky with cunt cream. Rose was smiling, her face had an expression of sheer bliss on it.

"I could suck you, or we could fuck," she said.

"Suck me later," said Pete. "I'm dying, right at this moment, to sink my cock into your pussy."

Rose smiled and opened her legs. "Don't just talk about it," said said. "Get on with it."

Pete nodded ,and with his cock harder than it had been for some time, he mounted that woman, and then sunk the full length of his cock into her tight wet cunt.

Rose had been fucked many times by many men, but never had she known a cock so hot and stiff before. She had expected it to feel really stiff inside her, but it was the heat coming from that tool which really surprised her.

The cock went all the way in, and Pete sighed with sheer bliss, for it was a perfect little cunt, tight and wet, just right for his cock.

Rose shuddered and yelled as the glans touched the very depths of her hole, and climaxed, then climaxed again.

She didn't always climax when a cock went into her, but after posing with her cuntb wide open, after being sucked off, she was so worked up, so trigger happy, as they say, that just having the cock go inside her was enough to make her come.

She wrapped her legs round the man's back and put her hands on his shoulders then started to heave up and down.

"Fuck me hard," she gasped. "Fuck me hard and fuck me fast. Fuck me faster and harder than you have ever fucked any woman."

Pete nodded, he had a feeling that was the way she would want it. Some girls like it slow and easy, some like you to build up speed slowly, he thought, but this girl seemed to be the hard fast type right from the word go. Well, that was okay by him, for he would give it to any woman the way that woman wanted it, all that concerned him was the fact that he had his cock inside the best cunt he could remember.

He started to fuck her the way she wanted it, hard and fast, and he even surprised himself at the way he went at it. He seemed to have all the energy in the world, and was soon going at it like the clappers, his balls banging against the cunt lips, his shaft pounding in and out, the head of his knob battering against the very limits of that woman's wonderful quim.

Sweat was pouring from his face as he put everything he had into driving and thrusting his cock in and out of that cunt hole.

Then the glans expanded, and Rose felt that deep inside her, knew the climax was coming, knew that soon the spunk would be spurting, and she heaved up and down, clawed at his back, gripped with her legs, and urged the man to go faster and faster.

Then she screamed, it was the scream of a

SPUNK WAS SHOOTING FROM ME INTO THE BACK OF HER MOUTH

woman in bliss, the scream of a woman having the most fantastic of orgasms.

Pete was shuddering and juddering on top, he was shooting out wads of hot thick sperm, it seemed to be turning his body inside out. He had never experienced an orgasm, an ejaculation, like this before in his life.

His cock seemed to be melting under the force of the spunk he was shooting out.

Rose had her eyes closed, she could feel the thick waves of spunk shooting into her, feel that spunk filling her up, feel the endless flow of sperm into her quim, and she wondered at the force of it, marvelled at the amount of it.

The spunk kept coming out, and Pete was amazed also, he had not thought himself capable of so much.

Then the cock went limp, and he pulled it out, and he looked at it as if he didn't own it, he had never known his cock to perform so well before.

Rose just lay there, spunk trickling from her cunt, a smile of bliss on her beautiful face.

Pete rolled over, he was still gasping for breath, he thought it would take him days to get over that fuck.

Rose sat up, she could feel the spunk bubbling inside her, she was still having orgasms, even though the cock was no longer inside her, and this was the first time that had ever happened to her.

She glanced over and smiled when she saw that the man's cock was very limp, and not for the first time in her life did she marvel at the fact that a thing so limp could have been so hard and stiff just a short while ago.

That to her was the wonder of a man's cock, the fact that such a limp flaccid thing could become so hard.

She leaned her head down and lapped at the head of that limp cock. Of course, that cock, having just come out of her pussy, was coated with spunk and pussy cream and she loved that taste, so much so that she opened her mouth very wide and took as much of that cock inside as she could.

She sucked, and she slurped, and then sucked again, till the cock was dry, dry except for her saliva.

That taste was so good, and as it was novel, the first time she had ever sucked a man's cock when it had just been taken from her cunt, she had an orgasm on the spot.

Pete reached out and picked up a box of tissues from the small table by the side of the bed. Rose took some and then proceeded to wipe the sperm from her pussy, and even doing a thing like that, she managed to make it look very sexy indeed.

When her pussy was clean again, she got off the bed and went into the dressing room, and there she had a pee, washed her cunt, and then went back into the studio.

Pete was still on the bed, his eyes were closed, he was still tired from that fuck. Rose smiled, she knew just how to wake him up, and she leaned over and took the cock into her mouth and started to suck.

She was an expert cock sucker, and Pete was amazed that she could get him hard again so quickly, and he thought that her mouth was a real marvel.

But he did get hard, very hard, and then harder still, and Rose kept on sucking and working on that cock till the spunk came shooting out, and when that happened she took every last drop into her mouth and then drank it down.

As that spunk trickled down her throat, she climaxed again and again, for her very favourite taste was, always had been, and always would be, hot spunk.

No wonder there was a look of sheer bliss on that face of hers as she took every single drop of hot spunk down her throat.

"That was good," said Pete.

"You tasted good," said Rose.

"Back to work for some more pics?" asked Pete.

Rose nodded. "As long as we have another fuck afterwards," she said.

Dear Editor,
There was a time when a nineteen year old girl wouldn't know much about sex, but in this day of women's lib, then it seems to me that women know all about sex at a very young age.

There was a time when I wouldn't go to bed with a woman who was under twenty-five, I reckoned that until they reached that age they weren't experienced enough, but lately I've been with a girl who is just nineteen years old, and what she didn't know about sex you could have written on the back of a postage stamp!

Yes, she knew it all, I was amazed that one so young would know so many sexual tricks. I won't bore you with the long story of how we met, I'll just tell you some of the things she got up to in bed, and then you'll be able to judge for yourself just how experienced these young girls are these days.

Her name was Jackie, tall, with black hair, very smooth skin, and a great figure. I thought, as she was just nineteen, that I would have to show her what to do in bed, but as soon as we got onto the bed she showed me that she knew all she needed to know.

We kissed and cuddled and as her rongue flicked about inside my mouth, as the fingers of her right hand started to stroke at my cock, I began to realise that this was no beginner.

She kissed better than any other woman I have ever been with, her tongue was like a wild thing inside my mouth, and those fingers of hers on my cock were very gentle, and the touch was very experienced.

I asked her if she liked sucking cock, asked her if she had done it before, and she smiled, said she had sucked a great many cocks, that she was good at it, that sucking cock always gave her a big thrill.

She moved down my body and proved to me that she sucked cock better than any woman I'd had for a long time. I mean that, she may only have been nineteen years of age, but when it came to sucking cock, she didn't need lessons from anyone.

Her tongue was like magic as it went up and down my shaft, and when she took my glans into her mouth the suction she applied was incredible, and then she did the deep throat thing, took the head of my knob right the way down her throat so that my balls were hard against her mouth. Now it usually takes an older, more experienced woman, to do this. This woman was nineteen, no wonder I was amazed.

She sucked well, blew in and out with her cheeks, and brought me to a good orgasm, and when my sperm went into her mouth she had an orgasm, and of course, she drank the stuff down, all of it, which gave her another orgasm.

Then she showed me how well she could wank herself off with her fingers, and she did it very fast, very hard, very deep, and the juices were soon dribbling from the confines of her cunt.

I sucked her out, of course, found she tasted very nice indeed, and then, when I was hard, I flipped her round so she was on her hands and knees, and as soon as I had pushed my cock all the way into her cunt from the rear, her right hand came back and under and soon her fingers were playing with my balls.

She was a first class fuck, she put everything she had into it, she waggled and rocked from side to side, really joined in, really enjoyed it, and again, when my spunk shot out – this time going into the depths of her cunt – she had the best orgasm so far.

Now most nineteen year old girls that I have fucked in the past didn't do anything sexy after the fuck, but this one did.

As soon as I had removed my cock, she rolled round, and then with a smile of lust on her face, she pushed her right hand down to her cunt, and then she slipped three fingers all the way into her spunk filled cunt hole and wanked off.

I talked to her after that, and it seemed that in the past year or so she had tried about everything had even made it with other women, had even been to a huge orgy, had done everything she could think of. It seemed that she likes sex more than anything else in the world, and that was why, at nineteen, she was so good at it.

Of course, I fucked her as many times as possible that night, and each fuck was better than the last, and after each fuck she did the same as she had done the first time round, she pushed a couple of fingers all the way into her cunt hole, her cunt hole which was swimming with my sperm, and then wanked off to a series of orgasms.

As I said at the start, young ladies seem to be getting more and more liberated these days, they are experimenting with sex, the end result being that it is no longer the older ones which are good in bed the young ones, the nineteen year olds, are just as good, and in the case of the one that I had, even better.

Dear Editor,
I work in a sex shop. Well usually nothing much happens, people come in for books and sex aids, pay for them, and go out again. Other people come in for advice and I help them if I can.

But last Friday, just as I was closing the shop up, this woman came in. She started to look at the sex aids. Well, I didn't want any more customers coming in that late at night, so I locked the door. Well, I wanted to get out to the pub and have a jar, it had been a hard day all in all.

The woman was really taking her time with the sex aids, said she couldn't make up her mind what she wanted. She was quite a good looking girl, and I tried to help her by suggesting various sex aids that she might like.

She finally found two she liked, one was a vibro, and the other one a dildo, and she still couldn't decide which one to buy, then she turned to me and said that as I had locked the doors, could she perhaps try them out.

I was staggered. I asked her what she really meant, and she smiled and said that if it was okay with me, she would like to masturbate with each of those two things right there and then, right there in the shop, and she said that whichever one gave her the biggest orgasm would be the one she would buy.

Well, I'm in business to make a sale, and I'm also human, and the thought of this beautiful bird wanking off in my shop, after I had closed and finished for business for the day, was a real turn on.

I said she could, but not in the shop. I live above the shop, and said she could come up there to my flat and try them out there, but I wasn't going to have any funny business in the actual shop, I might lose my licence over it, but what I did in my own private flat was my business.

As we went up the stairs, I asked her if she normally did this sort of thing, and she smiled, said she was very sexy, didn't see any reason to hide her love of sex, and anyway, what was wrong with trying a product out before she bought it.

I said there was nothing wrong with it at all, and anyway, I was dying to see her wank off with those two things. By the time we got into my bedroom I had an erection just thinking about it.

She took off her clothes very quickly. Her breasts were perfect, full and firm and tipped with lovely mouthwatering pink nipples, and her legs were so long they seemed to go all the way up to her armpits.

I loved her cunt, she had shaved all the hair from it, and the lips really hung out, as they say, all floppy and pink and wet and crinkled.

I just pulled up a chair and sat there. I thought if I undressed she might get the wrong idea, or the right one, if you know what I mean.

She lay on the sheets, and the first thing she picked up was the vibro, and she turned it on, and it buzzed like hell, and she held it against her breasts for a few seconds, and her nipples became very stiff indeed, and she nodded, and said it felt good, but the only real way to test if a vibro was suitable was to have it inside her cunt hole, and with that she reached down and pressed the tip of the buzzing vibro against her clit, and then she shook all over, and her juices came out, and she sighed, nodded, and said it felt good, and then she eased the full length of that buzzing shaft all the way into her cunt, and it must have been good for her, for as soon as it went in she climaxed, and what a huge climax it was.

She started to push that thing in and out of her cunt very fast indeed, waggled it from side to side, then rammed it in hard again, and soon she was having more orgasms.

When she had finished with it, she said it had been very good, and then she reached for the dildo, pushed that into her cunt, wanked off with it, and again the juices flowed, and I was so erect now I thought I was going to come in my pants.

She pulled the dildo out, smiled, licked the juices from it, then looked at the vibro, and then said that she still couldn't make up her mind, so she would buy the both of them.

Then she got dressed, I wrapped the things, and she paid me for them and left the shop. It was indeed, the most amazing encounter with a customer I have ever had.

Dear Editor,
If you, or any of your readers, are fed up with the lousy service you get from massage parlours in this country, then I suggest you go to a place called The Atlantis *you'll find it on the Reeperbahn in Hamburg.*

This place must be the best massage parlour in Europe, and it is much more than just a massage parlour, for in Hamburg, as you may know commercial sex, every form of commercial sex, is legal.

When you go in you pay for everything when you buy the ticket, and there is a list of things you can get. It cost me thirty pounds for everything. An all in price for every service they had to offer, and this entitled me to stay in the place for as long as I liked, and you will see, when I give you a few more details, that this really is first class value for money.

I was shown to a changing room by a naked girl, who touched me up while I was getting undressed, and then she took me into this huge pool room, yes, there was a huge swimming pool there.

In the pool were ten or so naked women, and a few naked men, at the end of the pool was a bar where you could get food and drink.

I dived into the pool, and right away two naked women swam over to me, and I flashed the plastic ticket which I had been given at the door, this ticket saying that I could have anything I wanted.

Well, I swam and splashed with the girls for a while, and touched them up, yes there was a lot of finger fucking going on in that pool, and then thought I would have a massage, so I picked out the girl with the biggest tits, and she took me to a massage cubicle where she dried me off.

I stretched out on the massage table on my stomach, and she poured oil all over my back, and then her hands went to work, and like all good women in good massage parlours, her hands seemed to concentrate on the cheeks of my bum, which made me very randy indeed, and when I turned over I had a huge erection, and she massaged my front, I then showed her my ticket again and suggested she suck me off.

She nodded and got right down to it, and she gave me a very beautiful blow job, and when I came, she made sure that she swallowed it all down.

I had a shower, went back to the pool, had a drink and something to eat – a small extra charge for the drinks and food – and then went for a swim again.

I then picked out a girl who had shaved the hair from her beautiful cunt, said I didn't want a massage just a fuck, and she nodded and took me to what they call a fucking room, just a room with a large bed in it.

We rolled about on the bed for some time, and then she licked at my cock, and after that she sat on my face so that I could get my tongue all the way up inside her cunt hole, and when she rolled from me my entire face was coated with her sweet cunt cream, and being the real professional that she was, she then leaned over me and used the tip of her tongue to lap every trace of her cunt cream from my face.

She then rolled round on her hands and knees, and I knelt behind her and soon had my hands on the cheeks of her firm bum, soon had my cock into her cunt from the rear, was soon banging away inside her cunt for all I was worth.

This woman wasn't faking when she had an orgasm, for this particular place had a reputation for only using girls who really did like sex, and so, as I banged my cock in and out of her tight wet cunt from the rear, I knew that the orgasms she was having were very genuine indeed.

I fucked away until my spunk went shooting into her cunt, and then she and I had a shower together, and then I went back to the pool, had another drink and then sat by the side of the pool for a little while and watched men and women touching each other up in the water. For very obvious reasons, there was no actual fucking or sucking allowed in the pool.

Well, that was a very brief description of the sort of thing you can get in a high class massage parlour and pool in Hamburg, and there must be at least ten other places like that, ten other high class places like than along the Reeperbahn.

So if you get fed up with ugly birds and crummy service in this country, then take a trip to Hamburg, it is all legal there, and even if you don't want a massage there is always the peep shows and the live sex clubs and the legalised brothels to indulge in.

Dear Editor,

I have just seen the most sexsational and amazing video of my life. It is called Fantasy Manor, *and it stars Zeta, that new sex queen we have all been reading about in the papers.*

Fantasy Manor *is a really remarkable video tape. It is all about this man who decides to turn his huge country house into a sex clinic so that he can help cure people's sex problems, but the way he helps them is to arrange to have their sexual fantasies come true.*

So in a way, the entire video is about how people's sexual fantasies come to be realised, but it is much more than that, for it has a very strong story line, first class acting, the camerawork and close up shots of the hard action is out of this world, and the video features some of the most beautiful women that I have seen for ages and ages.

People turn up at Fantasy Manor and have their sexual dreams turned into reality, and some of the things those people want arranged for them just has to be seen to be believed.

One man wants to dress up as an Arab prince for a day and have a dozen or so harem girls pander to his every whim.

At one stage he has got two girls sucking him off at the same time, while the other four girls are having a lesbian orgy at the end of the bed.

One girl wants a fantasy about wanking in front of a large group, of men and women, to be arranged, and it is, and she strips and then uses various things inside her tight looking cunt.

There is a man who wants to have kinky things done to him by women in high heels, there is a man who has this fantasy about water sports, this man who has a fantasy about making it with a woman much older than himself.

Near the end of the video, they have an orgy, everyone who has been a guest at the mansion is invited, and you know, I have seen orgies on video before, but nothing to compare with this one. Just take it from me, that when it comes to really high class, inventive, well acted, sexy, adult, videos, then you would have to look very hard indeed to find one that is better than Fantasy Manor.

Dear Editor,

You've recently published several letters from men who say that women get their best orgasms when they are being fucked. I say that this is rubbish. For all women are different. Sure, some women get their best orgasms when they are being fucked, but there are women who are not capable of a vaginal orgasm, they get their orgasms from a clitorial stimulation, they can only come if you masturbate or suck their clit. Fucking leaves them cold, but clit sucking gets them going.

I have also known a woman who could only get an orgasm from anal sex, another woman who could only come when she was indulging in water sports.

Okay, I will admit that most women get their orgasms from having a cock inside their cunt holes, but to say that every woman comes this way is sheer rubbish, like I said, all women are different, have different feelings and needs and turn ons when it comes to sex.

All the women that I have ever known have enjoyed being fucked, but not all of them had their best orgasms that way.

Take Jill for instance, a really lovely woman, really sexy, was capable of doing anything at all in bed, the ideal type of woman, no inhibitions in bed at all, no matter how kinky it was she would be willing to try it, and would enjoy doing it.

But she would be the first to admit that when she was fucked she never had an actual orgasm. Sure, she like being fucked as often as possible, she loved feeling a man's spunk jet into her quim, but when she wanted an orgasm, she had to go for something else, and that something else was having spunk shot all over her face.

The first time I went to bed with her she was very clear on this matter. She said that I could fuck her, but first, so that she would get an orgasm, I had to spurt my spunk over her face.

Well, I've never objected to wanking off over a woman's face, in fact I rather like it, there is something really erotic about seeing your thick

She'll never say NO again!

VIBRATING PENIS

A viciously effective 'whip—hand ' stimulator (available in black or white) as favoured by the ladies of the Brazilian aristocracy.
Its unique snake like action mercilessly activates the nerve ending of the vaginal orifice, nerves that are by-passed by the conventional vibrator (which is active only at the tip).
This unique action also stimulates the lubrication duct and women who thought they knew themselves well, report a massive increase in fluid emission, after just a few moments alone with the vibrating penis.
It is contoured according to the penis of a donkey(which has more pleasure giving bumps and ridges than the human penis) but is sensibly proportioned at 7½ inches long.
Until very recently the vibrating penis was a black market item selling at £10.00 or more, but we are able to offer this brand new concept in female stimulation at a more reasonable price of £3.99 POST FREE

AVAILABLE IN BLACK OR WHITE.

Sex Boost Cream

To be rubbed on the male penis before intercourse and on the female vagina. This cream lubricates AND intensifies the sexual pleasure of intercourse. GUARANTEED TO TURN ON ANY WOMAN'a real passion raiser. Would turn a nun into a nympho!
£3.00 a jar

white come sticking to a beautiful female face.

So, on our very first date, I found myself in bed with her, she naked and flat on her back, and me kneeling over her, my cock in my right hand, and she with her right hand down on her cunt, two fingers inside her fuck tube, slowly wanking off, while me, with my cock in my right hand, was wanking off nice and slowly.

I think half the thrill in it for her was to watch a man wank while she wanked off herself, and her eyes grew wide with lust as she watched my fingers move up and down my shaft, and she kept flashing her own fingers in and out of her cunt just as fast as she could go.

Although she came close to orgasm several times, she didn't quite get there, and it was obvious that she had been telling the truth, that what took her over the edge, what made her come, was having my spunk on her face.

I wanked off slowly, so that at the end I would be able to produce as much spunk as possible, and she wanked really fast, so that when I did come she would get as much pleasure as possible.

I wanked and wanked, and so did she, and then my glans started to throb and swell and jerk, and then I started to ejaculate, and as soon as the first blob of spunk hit her right between the eyes, she had an orgasm, and then, as I waved my cock about in my hand, as the rest of my spunk came gushing out, as the rest of that spunk went spraying and showering all over her lovely face, so she came, and then came again and again.

Of course, some of my spunk went into her mouth, and this gave her even more pleasure. I pulled on my cock till I was empty, and then she smiled, said it had been good, and she pulled her sticky fingers from her cunt and I licked them for her, and she tasted really good.

Later, I did fuck her, fucked her several times, and although my hammering cock inside her cunt brought her close to orgasm, she never quite made it that way.

She could only come when there was spunk shooting all over her face. I don't think she is alone in that, so when people write in to you and say that all women get good orgasms from fucking, then they really don't know what they are talking about, for as I said, all women are different in terms of getting sheer sexual satisfaction and orgasms.

KJ, Bournemouth

Dear Editor,

This may sound hard to believe, but this really did happen to me the other day. I was standing at the bus stop when I felt a hand on my bum. I thought at first it was some old queer trying to pick me up, and I spun round ready to give him a knuckle sandwich, when I saw it was a woman, a rather pretty woman at that.

In the crush of people there at the stop I thought it must have been an accident, perhaps she had been pushed into me by the people behind, and had put out a hand to steady herself.

So I turned round again and looked down the road to see if the bus was coming, and then I felt it again, that hand on my bum, and this time the fingers were pressing hard.

I turned round again, and this woman smiled at me, and she kept her hand on my bum. This time there could be no mistake, she was trying to pick me up, and of course, my next thought was that she was a hooker, but I looked at her eyes and realised that they were not hard enough to be the eyes of a hooker.

Well, when the bus came along, she sat next to me, and then she leaned over and it turned out that she was a very liberated woman, and that when she wanted a fuck she always did something about it right away, and it also seemed that while she was standing in that bus queue she was feeling randy, and so she looked round for a man she fancied, and the only man in that bus queue that she did fancy was me, and that was why she had touched my bum.

Well, I knew that women were more liberated these days, that they always took the initiative, but even this was a surprise, a surprise in the sense of how she had gone about getting my attention.

Then she said, sitting next to me on the bus, that she was still randy, she still needed a fuck, that she really did fancy me, and why didn't I get off at her stop and fuck her.

Well, I wasn't going to turn that chance down, after all that sort of thing doesn't happen every single day of the week, does it, and after making sure that she really wasn't a hooker after money, I agreed.

We got into the flat and then she pulled me to her and kissed me and again her hands went behind me as she kissed me, and it was obvious then that this woman really liked male bums.

We undressed each other right there in the lounge, and she hadn't been joking about feeling randy, for when she was naked I saw that her cunt lips were very wet indeed.

We went into the bedroom then, and it turned out that I was dead right about her bum fixation, for the first thing she did when we got on the bed was turn me over, and then the next thing I knew was that her hands were exploring each and every single part of my naked bum, and I do mean every single part.

Then she used her tongue, yes, I mean that, she used her tongue to lap all over my naked bum. Now that is a very nice feeling indeed, and often, in the past, I have tried to get women to do that to me, but they have, most of them, always refused. But this woman was doing it without even being asked.

Well, she licked by bum for some time, then I rolled over again, and she moved up and kissed me on the mouth, and at the same time her right hand went down and started to play with my cock, so I reached down and pushed a finger all the way into her cunt hole, and she was so worked up that as soon as my finger went inside, she had an orgasm.

Then she moved down, and her tongue started to work all over my penis, and then all over my balls, and then my glans was inside her mouth, and then she was sucking for all she was worth, and you can take it from me that she gave me one of the best blow jobs that I had had for ages.

She sucked me till I came, drank down my spunk, then rolled me over and started to work her tongue all over my bum again, it would seem, that this lady wanted to see what would happen, and when it would happen, right the way through the session, and I wasn't going to complain about that, for I was really enjoying it.

Well, we had a very good time, and we fucked and sucked all evening, and she kept going back to lick my bum, and I asked her about this, but she just said there was no particular reason, she just liked doing it.

So, if you are ever standing at a bus stop, and you feel a woman's hand on your bum, then you may be in luck, for it may be this woman that I ran into, and if it is, then you have my word for it that you are in for a very good time in bed with her, but if you don't like a woman licking your bum all the time, then don't go back to her place with her, for as you may have gathered, she was really kinky about that part of a man's body.
